

Charity Fundraiser Events

Giving Back..... At the Wine Lab we want to give back to our community and friends. We offer to charitable organizations, foundations, and schools the opportunity to use the Wine Lab to raise funds for your cause. People really like wine so we have created an enjoyable and turnkey fundraising program for your organization.

How it Works?

Wine Tasting and Cheese Pairings for a Cause!

Wine is easy to promote and has broad consumer appeal. Your relationships are strengthened with each bottle that is shared and consumed. With carefully selected domestic and international wines as well as our artisan cheese selection, we will put together a wine tasting and cheese pairing for your organization. For \$35 per person, we will offer five selected wines paired with three cheeses. Your organization receives 50% of the tasting sales. If 35 people attend your event, you would raise at least \$612 in just two hours! \$17.50 of the amount will be taxed at the OC rate of 7.75%.

In addition, Wine Lab will donate 10% of all bottle sales to your organization as well as validate parking for your guests.

Available: Tuesday, Wednesday and Thursday evenings.

Minimum: 20 guests. Maximum: 50 guests.

The organization is responsible for invitations and reservations for its event. A minimum of 20 guests are required to use the Wine Lab for your event. In addition, we will validate your guests parking.

The Details

The minimum number of paid participants required to host your fundraising event is 20 guests and the maximum is 50 guests. Fundraising events are held from 6pm to 8pm on Tuesday, Wednesday or Thursdays.

Wine Lab will collect the \$35 per guest at the time of each guest departure plus 7.75% sales tax on \$17.50 (\$19.03 will be the total we collect). We do this because some of your guest may purchase bottles and we will donate 10% of bottle sales to your organization.

We encourage you to ask your participants to add gratuity for service. Included in the \$35 per guest fee is five (2oz.) select wines paired with three artisan cheeses. Your organization will receive one-half or \$17.50 per guest plus 10% of all bottle sales. Applicable Sales Tax will be added to all Food and Beverage Items. We will validate parking in our garage for your guests.

Wine Lab will provide a check to your organization for the amount raised three days following your event.
